

KARAVAN

PLATINUM

6x12

Model Number:
KPU-2990-72-12

Powder coated paint
Longer lasting protection vs. spray technique typically used on trailers

All tube frame
Clean look that provides strength while it also conceals and protects wiring

A-frame jack
With plate

Coated self-coiling safety cables
Cables coil out of the way when trailer is not in use

Powder coated heavy duty removable ramp
Expanded metal to support the load of the machine of your choice

2" x 6" treated deck boards
Protects against decay and termites

Molded step fender

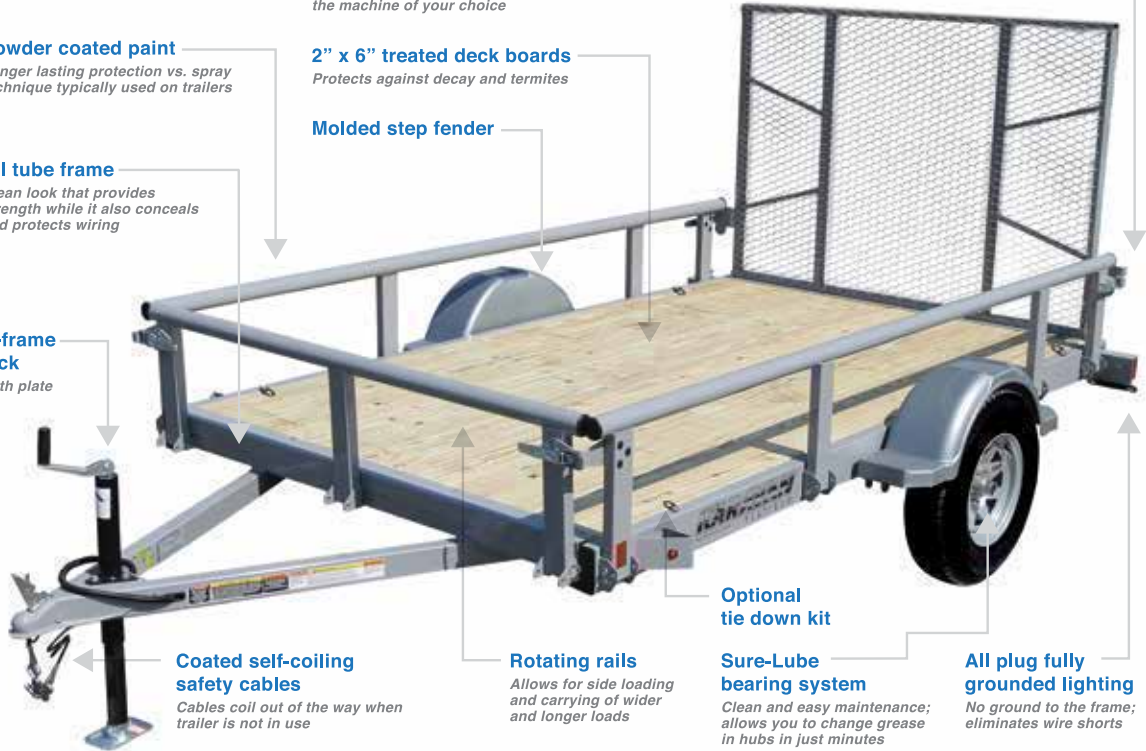

Rotating rails
Allows for side loading and carrying of wider and longer loads

Optional tie down kit

Sure-Lube bearing system
Clean and easy maintenance; allows you to change grease in hubs in just minutes

Lockable gate latch system
Tensioner tailgate latch to eliminate road noise from rattling ramp

All plug fully grounded lighting
No ground to the frame; eliminates wire shorts

- **Heavy duty all-purpose utility trailer**
- **Easy accessibility with unique fold down rails**
- **Perfect for household, recreational, and business needs**
